REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest a meltblowing apparatus combining first and second strands into multi-component filaments; the die tip including an external surface with linear arrays of both first and second liquid outlet, each second outlet tangentially meeting with a corresponding one of the first liquid outlets at the external surface wherein "tangentially meeting" is defined such that the outer surfaces of the outlets touch for the first time at the external surface; and air passages positioned on opposite sides of the first and second liquid outlets and configured to direct process air to impinge the multi-component filaments.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
